Heavenly Father we thank you for giving us Derrick Gibson. Even though his time on this earth was short he enjoyed every moment of it. Derrick was the fourth child out of seven children. He was always humble, we rarely saw him angry. Derrick enjoyed life and no matter any circumstances he always saw the best out of any situation. Derrick was a great Dad to his only daughter Derricka, and through her he will live on. He was also a good brother always wanting us to always get along and love each other. Derrick was also a good husband, he kept his wife smiling. Derrick was also a good son towards James Gibson and Angela Gibson Dykes regardless of their separation he loved them both

unconditionally. Derrick said our dad James Gibson Sr was his mentor and best friend, he missed our dad dearly, but now he is with him in Heaven. Even though they are not with us anymore in body, they are with us in spirit. Showing us that through family we can overcome anything and everything. To love and cherish family and be there for one another because tomorrow is not promised. Derrick you will surely be missed, but you will never be forgotten because you left us plenty memories until we meet again our loving brother. Derrick Gibson, keep God smiling with your presence because you kept us smiling down here through any pain we had felt. We love you so very much and one day we will see each other again. Rest easy bro you are now at peace with God in Heaven. We love you.
